Wonderful way to see the Kimberley

The boat was very comfortable and well equipped. Staff were awesome and took the time to chat with everyone on board. Food was plentiful and delicious. Views of the Kimberley and Horizontal Falls were fantastic and breathtaking. Totally enjoyed our day. Thanks to all the staff.

Up there with the best

Jun. 2023 • Couples

One of the best experiences we've had! The crew was so helpful, food perfect and it was great to be able to interact with such an informative team (crew). Great First Nations input and enjoyed the expertise of the captain. Recommend this as a must for those who want quality tours , fun and enjoy learning about the area from the different perspectives of the crew - First Nations, Chef, Captain, and the crew members overall.

Amazing way to experience Horizontal Falls

Sep. 2023 • Solo

Magnificent day out, run really well from pick up to drop off.
It is a long day with a 4.45am pick up around Broome, before a 2hr drive to Cygnet Bay with Dave leading our group.
Once arrived, it was a seamless transfer by tender to the Ohana to start our day.
Shoes off, a drink to start the day and we headed out.
The guide was knowledgeable and local pointing out a number of key points as we cruised, and ipads provided shipping map with key points of interest....

Don't Bring a Thing!

Aug. 2023 • Couples

What a day! A once in a lifetime magical experience. Perfect views all day of the beautiful colours of the Kimberley's, amazing food and drinks, a friendly informative crew on a modern vessel with all the amenities you need. Don't bring a thing, coffee on arrival, right through to snacks and water on the bus ride back to Broome. Perfectly catered for all our needs throughout the day. They really have thought of everything.

Best experience ever

Jul. 2023 • Couples

We'll where do I begin. From the early morning pick up to late evening drop off everything was superb. First and foremost the staff were incredible and couldn't do enough for you and the chef's menu and skills are out of this world. Then to top it off the natural beauty of Horizontal Falls is spectacular. I highly recommend this tour and particularly this company to look after you

Absolutely amazing!

Awesome staff, awesome food and drinks that just kept coming, awesome atmosphere and boat!

This is a must do!

We have been travelling for 2 months now and this experience was by FAR the best we have had. From the initial phone booking to the end of the experience. Could not fault it.

11 out of 10 from us, thank you.
